Exceptions to this rule are at the discretion of the Tournament Director.
- B. In no case shall a team, which forfeits a game be declared a flight winner or a wild card team. If an apparent flight winner forfeits a game, the team in that flight with the next best record shall be named the flight winner. In addition, in divisions where the second place team of one flight plays the first place team of another flight in the semi-final game, in no case shall a team which has forfeited a game be declared the second place team in a flight. The team with the next best record in the flight shall be declared the second place team and play in the semi-final game. If a team is the cause for termination of a game, that team will be considered to have forfeited that game. The determination as to which team is the cause for the termination shall be at the sole discretion of the referee on the field and the decision may not be protested.
- C. A forfeit in the preliminary rounds shall be awarded as three (3) points for the win. The score of a forfeited game will be recorded based on the higher goal differential from either 1) the actual score at the time the game was terminated; or 2) the average

VIRGINIAN ELITE SOCCER TOURNAMENT

of goals scored by the winning team rounded up the nearest whole number, against the average of the goals scored against that team rounded down to the nearest whole number; or 3) as a minimum the score will be recorded as 1-0.

VIRGINIAN ELITE SOCCER TOURNAMENT

Addendum To Tournament Rules

At age group divisions U11 and younger – Whenever the ball strikes a player in the head, play is stopped. The proper restart depends upon whether the player deliberately played the ball with his or her head. If deliberate, the proper restart is an indirect free kick to the opposing team. If this occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If the play by the head is deemed inadvertent, then the proper restart is a dropped ball.
