

2018 Virginian Elite Soccer Tournament SYC Team Options

As you may be aware, the SYC Soccer Committee has revised the requirements for SYC teams with regards to working the tournament for 2018.

SYC Virginian Annual Soccer Tournament – The SYC Soccer Committee passed a motion on January 4, 2018, stating that all U14 and below SYC Travel Teams are required to fully participate in the SYC Virginian Annual Soccer Tournament, and that U15 and above SYC Travel Teams may submit a 2-part waiver to the SYC Soccer Committee for approval to not participate in the SYC Virginian.

Waiver Part 1: by February 1st, a U15 and above SYC Travel Team must send their intent to participate in a **higher ranked** soccer tournament than the SYC Virginian over Memorial Day weekend to the SYC Soccer Committee via email to soccercommittee@sycva.com.

Waiver Part 2: no later than April 1st, a U15 and above SYC Travel team must submit evidence of acceptance in a higher ranked soccer tournament to the SYC Soccer Committee via email to soccercommittee@sycva.com.

A U15 and above SYC Travel team granted a waiver by the SYC Soccer Committee will not be eligible for any SYC Virginian payouts in August/September.

Each team participating must have a Virginian Representative (VA Rep) attend each of the planning meetings for the tournament. These are monthly meetings from January thru May. The VA Rep will be responsible for gathering information at the meetings and passing it along to the parents of their team. For the younger age groups that have multiple teams and play in an academy style format, at least 2 VA Reps must be identified as we may have multiple sites in the age group.

Each SYC team must complete this form and return to Dotty Talbott, Tournament Director. (Please email to director@soccertournament.com and gene.a.thomas@gmail.com). Form must be returned by **February 8, 2018**.
